## Step 6: Complete your assessment!

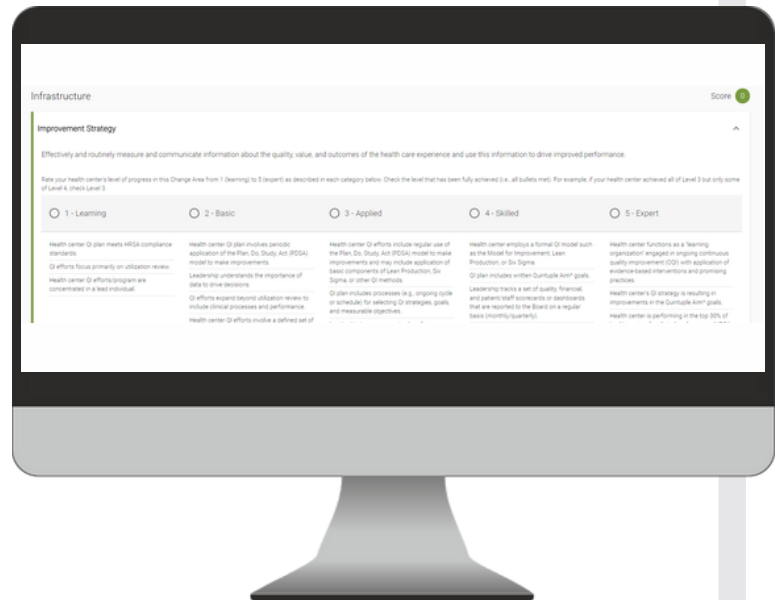

### 1) Click on 'My self-assessment'

### 2) Take the Assessment

Click each of the 15 change areas and 2 coaching skills and choose the level that best reflects your personal capabilities. Only mark a number if you have fully met all listed criteria for that level.

For example, if you have met all the criteria in Levels 1, 2, and 3 and some criteria in Levels 4 and 5, select Level 3. Once a score is marked, click the next change area to proceed.

### 3) Submit the Assessment

After scoring all 17 items, click **"Submit to NACHC"** at the bottom of the page. Your scores are kept confidential and intended to guide professional development.

*Over the course of your participation in Elevate, you can go back to your scores and adjust as necessary. Just make sure you click the "Submit to NACHC" button to save any changes!*
